JUBILATE DEO  
(Psalm 100)

O be joyful in the Lord, all ye lands: serve the Lord with gladness, and come before his presence with a song.

Be ye sure the Lord he is God: it is he that hath made us, and not we ourselves; we are his people, and the sheep of his pasture.

O go your way into his gates with thanksgiving, and into his courts with praise: be thankful unto him, and speak good of his Name.

For the Lord is gracious, his mercy is everlasting: and his truth endureth from generation to generation.

(Church of Ireland)

## INTRODUCTION

Whilst researching the history of my family, I discovered connections with Delgany Parish. Having collaborated previously on the Bunclody Union records, the recently arrived Rector of Delgany readily accepted my offer to transcribe the registers using a word processor. The registers will be transcribed as a series of volumes covering the period 1666-1900 ; this is Volume 2 covering the period 1777-1819. As with all documents of this nature the original should be consulted to confirm that entries have been transcribed and indexed accurately.

The following specific points should be borne in mind when using the transcript:

Dates All dates have been standardised as follows; day in numbers, month in three letters (abbreviated as necessary), year.

Legibility and Spelling In cases of doubt, the spelling of surnames has been checked against other entries in the index; variations in the spelling of the same surname have been noted. Indecipherable details are marked with a ?

Additional Information Marginal notes and comments from the Registers appear in the text or as footnotes.

Chronological Discrepancies Entries out of chronological order by more than a week or so are in *italics*.

The Index The index lists in alphabetical order all persons who were baptised, married and buried at Delgany over the period 1777-

1819. Where circumstantial evidence points to entries for more than one event for the same person, they have been included on the same line in the index. In the absence of any such evidence they have been listed separately. Abbreviated Christian names have been transcribed exactly as they appear in the Register. For burials, infants/foundlings have been assumed to be less than a year old.

History of the Church and Parish The recently published Christ Church Delgany 1798-1990 - Between the Mountains and the Sea by Judith Flannery (Select Vestry of Delgany Parish, 1990) is a comprehensive and very readable book on the subject. The details of clergy are based on Canon Leslie's unpublished succession lists at the RCB Library (repeated in Judith Flannery's book), amended to reflect contrary evidence from the register.

My dear Mr Cleaver,

Mrs Goode and her daughter have begged me to inform you that Elizabeth Anne GOODE was christened in our drawing room in Apr 1809 - Mr Pinnick was an invalid & afraid to venture to church - he stood with Mrs Thomas Vicars & myself for her - my brother (Dean Trench was then Rector of Delgany) consented to christen her at Bellevue in consideration of Pinnick's state of health.

P La Touche

I hereby certify that Elizabeth Anne GOODE was christened in the drawing room at Bellevue by the Revd Robert Vicars in the month of Apr 1809. Sponsors: Mrs Peter La Touche, Mrs Thomas Vicars, Michael Pinnick.

Bellevue 18 Dec 1831
