John MULLIN died in the Downs on Tuesday 19 Nov 1872 aged about 70 & was buried in a very discreditable manner without notice + any clergyman in the old churchyard on Thursday 21 Nov during my absence in Dublin.

22 Nov 1872

L H Streane Rector of Delgany

I am informed that there was gross misconduct at the grave by the parties attending the funeral. Said John MULLIN had been beggar through this parish between 40 & 50 years. Called himself a Protestant but seldom appeared in church & is reputed to have frequently attended Chapel.

¹ Note says "Interred improperly without the knowledge of the Rector or Curate of Delgany".
