(Continued on inside back cover.)

JUBILATE DEO
(Psalm 100)

O be joyful in the Lord, all ye lands:
serve the Lord with gladness, and come
before his presence with a song.

Be ye sure the Lord he is God: it is he
that hath made us, and not we ourselves;
we are his people, and the sheep of his
pasture.

O go your way into his gates with
thanksgiving, and into his courts with
praise: be thankful unto him, and speak
good of his Name.

For the Lord is gracious, his mercy is
everlasting: and his truth endureth from
generation to generation.

From the Order for Morning Prayer, The Book of Common Prayer
(Church of Ireland)

Alphabetical Index of Entries in the Registers	53-77

INTRODUCTION

Whilst researching the history of my family, I discovered connections with Delgany Parish. Having collaborated previously on the Bunclody Union records, the recently arrived Rector of Delgany readily accepted my offer to transcribe the registers using a word processor. The registers will be transcribed as a series of volumes covering the period 1666-1900 ; this is Volume 5 covering the period 1866-1900. As with all documents of this nature the original should be consulted to confirm that entries have been transcribed and indexed accurately.

The following specific points should be borne in mind when using the transcript:

Dates All dates have been standardised as follows; day in numbers, month in three letters (abbreviated as necessary), year. Obvious errors are shown in **bold**.

Legibility and Spelling In cases of doubt, the spelling of surnames has been checked against other entries in the index; variations in the spelling of the same surname have been noted. Indecipherable details are marked with a ?

Illiteracy Those who made a mark in the registers are indicated by an 'x' after their name.

Additional Information Marginal notes and comments from the Registers appear in the text or as footnotes.

Chronological Discrepancies Entries out of chronological order by more than a week or so are in *italics*.

The Index The index lists in alphabetical order all persons who were baptised, married and buried at Delgany over the period 1866-1900. Where circumstantial evidence points to entries for more than one event for the same person, they have been included on the same line in the index. In the absence of any such evidence they have been listed separately. Abbreviated Christian names have been transcribed exactly as they appear in the Register. For burials, infants/foundlings have been assumed to be less than a year old.

Transcriber's Observations An error in the Register of Baptisms in 1881 means that some entry numbers are repeated; the second sequence is shown in 10 pt eg 210 to aid identification. Numbering the entries was discontinued in the Register of Burials from 1887 and in the Register of Baptisms from 1889. Later entry numbers are shown in 8 pt eg 292 to assist in cross-referencing and identification.

History of the Church and Parish The recently published Christ Church Delgany 1798-1990 - Between the Mountains and the Sea by Judith Flannery (Select Vestry of Delgany Parish, 1990) is a comprehensive and very readable book on the subject. The details of clergy are based on the relevant lists in Clergy of Dublin and Glendalough by Canon J B Leslie and W J R Wallace (Ulster Historical Foundation and the Diocesan Councils of Dublin and Glendalough, 2001).

180 entries (from 1866) in this Register.

John MULLIN died in the Downs on Tuesday 19 Nov 1872 aged about 70 & was buried in a very discreditable manner without notice + any clergyman in the old churchyard on Thursday 21 Nov during my absence in Dublin.

22 Nov 1872

L H Streane Rector of Delgany

I am informed that there was gross misconduct at the grave by the parties attending the funeral. Said John MULLIN had been beggar through this parish between 40 & 50 years. Called himself a Protestant but seldom appeared in church & is reputed to have frequently attended Chapel.

¹ Note says "Interred improperly without the knowledge of the Rector or Curate of Delgany".

Intentionally blank
